

# *Welcome to the City Of Lake Forest, California*

**The Arbor**

**Rockfield Avenue**

**Trabuco Road**

**Jeromino Road**

## **Public Works Department/ Maintenance Division:**

The Public Works Department maintains approximately 75 acres of Medians, Parkways and Slopes. Included are other important infrastructures such as bus stops, street lighting, graffiti removal, ADA trimming, storm drains, solid waste collection and disposal. We handle special projects such as the 4th of July Parade, holiday plants and holiday lights. We completed streetscape projects on Trabuco Road, El Toro Road, Jeronimo and Rockfield. We work with water conservation through monitoring proper year round irrigation and the use of drought resistant plants. Our aim is to ensure the safety and security of residents and visitors.
